## Clues

A corker to start the Baffling puzzles and complex! It starts off OK. D5 is a Niner as are E4 and I7. It took a little while to fathom # 5 or 3 are A1 and D1 as these are a Pair on the C and I files.

This means rows 1 and 3 in segments 1 and 3 must contain a 1. Given there is a 1 on the F file a 1 has to be on D2. This is clincher. After that it is plain sailing.
